## Thinking About Relocating? ...

Acreage/country living might sound appealing when purchasing a home but have you considered the location and how this may impact on you should your health conditions could change or decline...For example...

How many steps you will be climbing up and down every day in your new home?

Will your bathroom be suitable?

- Can you access the shower easily?
- Is the flooring slip-proof?
- Can grab rails be easily installed?
- Can modifications happen easily or will they be costly?

Can you maintain a large lawn area? Will family be available to help weed/maintain garden beds?

How close to necessary services will your new home be? How far away are:

- Medical services? (Doctors, pharmacies, hospitals)
- Your bank?
- Grocery stores and other shops? (Newsagent, fruit and veges)
- A post office?
- Community Care services?

Should you be unable to drive, how will you get to these amenities?

Is the home reliant entirely on tank water?

Will you be prepared to maintain the necessary pumps?

Does the home have a septic system that may need maintaining? Is the home 'high maintenance' e.g. needing to be painted, renovated, etc?

Does the home have a septic system that may need maintaining? Are you aware of the costs involved with such a system? (Annual costs of maintenance, licensing, Council fees).

**REMEMBER...A LITTLE PLANNING BEFOREHAND MAY SAVE YOU A LOT OF STRESS LATER!**

## Beautesert Shire Home Service and Transport Directory

*This Home Services and transport Directory has been developed by Centacare St Mary's Community Services with the generous support of volunteers from Jimboomba Community Care Inc. Beautesert Shire council provided funding through the Community Wellbeing Grants program.*

*This guide has been compiled to offer people information about transport options and subsidies within the Beautesert Shire and access to regional and metropolitan centres.*

*The information in the directory has been supplied in good faith and was correct to the best of our knowledge at the time of printing. We suggest contacting the agency/business supplying the service to ensure information is still correct. Some information in this publication may be subject to change without notice*

*We wish to thank everyone for their kind support in creating this booklet.*
